TOBACCO SERIES

We work with monitoring programmes to ensure compliance with our social, environmental and health and safety standards for our products. To assess compliance, we have developed a programme of audits and continuous improvement plans

ORIGIN

We work with our suppliers, workers, unions and international organisations to develop a supply chain in which human rights are respected and promoted , contributing to the United Nations Sustainable Development Goals. Thanks to the collaboration with our suppliers, we work to know the facilities and processes used to manufacture our products in order to understand their traceability.
